FISCAL YEAR
1922

Richmond, Mo.

Jan. 16, 1921.

Dear Cousin Pamela,

I received your kind New Year's greetings for which I wish to thank you. I have written to you several times during the past year and a half; but do not receive any answer.

In August 1920, I was married; stayed in Soutism Mo. until the last of Sept; lived in Kansas until July; then came home and have been here ever since. Aug. 23, 1921, the old stock brought me a letter to whom I am

the name Billy Ann. Did you never receive your announcement? I was so positive it would be a boy, I had "boy" announcements ready.

She is a beautiful, little, fat, blue-eyed, good-natured, strong, healthy, intelligent, sweet baby.

We have all been having good health this winter. The weather has been very mild altho' cold. A letter from Aunt Sammie the other day said they were all well.

I suppose you know that Aunt Fizzie has 3 daughters two of them are in college.

ing, Mary, the youngest, was
there before Xmas. She is at
home now getting ready tomorrow.

I hope you, the Dr., and
the boys are enjoying the
best of health. I suppose your
"little sons" are almost grown.

If you receive this, please
answer & let me know.

Sincerely,
Hester Mullin.

My dear Dr. Miller -

I want to express to
you our sincere appreciation of
your letter of sympathy - and of
the kind remarks you have
made about my Father.

It is a comfort to know that
outside of his home circle he was
so loved and admired - for at
home he was all that husband
and father could have been.

I regret that at some times
you could not have known him

of the Page Home
- and I could
not remember about the
type of my Grandmother
Louisa Bulking Brown - but
there have probably been
returned at some other time
and I regret having bothered
you about them.

I will probably come across
them somewhere here. They
were the only ones we had
no copy of.

Trusting your work will
progress as you would have it
and that sometime we may
have access to it - I am sincerely
Jean Brown.

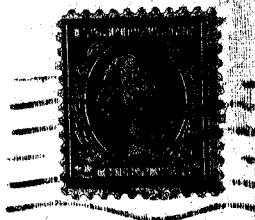

personally - and he - you - for
I am sure it would have
given him great pleasure.

As to the pictures I thank you
for going to the trouble of sending
them.

One picture of the home we
had no duplicate of - and
Papa had always liked it. - This
I am keeping - but the others
you may have.

The engravings of Grandpa
(James W. Brown) - and of my own father
Papa intended you should keep -

When I wrote you I was
under the impression there was
a picture of our cemetery lot

My dear Cousin:

St Plou d, Fla. 3/1/23

No doubt you will be surprised & "shocked" to hear from me, this being my first
only letter to you.

On account of my wife's health we have
taken a cottage here for the winter, our lease
expires Apr 10th after which time I will take
the state with her in my Lizzie Sedan, can
bring business & pleasure as we go along.
The changes will prove beneficial to her.

I regret exceedingly that you did not meet
Beatrice when in Ashland the last time
as I am sure this marriage was made
in your full approval. Indeed I have

wonderful wife & helpmate of all your
connections who have met her are well
pleased. Cousin Mary Campbell & daughter, their
her five. We leased our home to a delightful
young married couple with one boy six yrs of age
for one year as we expect to be away that long.
I do not know for sure but I may work
my way gradually & slowly thru to Keosauqua
this summer, buying lumber as I go along
& then stop for awhile at places of interest
to see I know Va & the Carolinas much better
than they. When we do get settled at home
again we would be delighted to have you
as our maintenance with your new station
