Mrs. Sarah Buchanan Hampton was born in Montgomery Co., Ky., Nov. 6, 1807, died after a short and painful illness of typhoid pneumonia at Hampton City, Henry Co., Ky., April 20, 1874.

Her father, Wm. Buchanan moved in 1811 from Montgomery Co. into what was then Greenup Co., now Lawrence Co., and settled upon the banks of Big Sandy in 1815. From the record, the country then was but little removed from an Indian wild. Since then he has become prominently identified with the early history of the county in its various industries and enterprises, but more especially with its religious history. His house was made a home and the triple purpose of dwelling, preaching place, there for the inquirer pursuing the gospel.

She married Mr. Hampton Aug. 21, 1828. From the Greenup Co. Times it appears this life is the residence of her father Col. Wm. Buchanan of Union — Mrs. W. E. Hampton is deceased. Mrs. Hampton, born at Squirrel March 15, 1850, married 24th July, 1862, died on 18th June (1875) aged 25 yrs.
